

MakerSpace Supplies

The MakerSpace was a hit this year and all the students enjoyed having the ability to create and design their ideas. Students in grades 5-7 utilize the MakerSpace and we have run through most of the supplies I have accumulated this year. Please consider helping to restocking the MakerSpace for next year by donating some supplies. Most supplies can easily be purchased at the dollar store. We are very thankful for anything you can add!

Toilet paper / paper towel rolls

Rubber bands

Pipe cleaners

String / yarn/ fishing line

Brads

Craft sticks - all sizes

Cardboard - please only send in cereal boxes (snack boxes, macaroni boxes) - I am finding that this type of cardboard works best as it is sturdy but easy for students to cut

Plastic bottles and bottle tops

Sequins

Cotton balls

Hole punchers

Tape! Tape! Tape! We go through so much tape. Any type of tape will be used.

Buttons

Fabric pieces

Playdough / clay

LEDs

Button batteries

All types of batteries

Copper foil tape

Tools

Screws

Wire

Washable paint

Paint brushes/ foam brushes

Google eyes

Coffee filters

Small paper cups

Plastic straws

Ribbon

Styrofoam - all sizes and shapes

Plastic cups - all sizes

Newspaper

Cork

Craft scissors

Wooden dowels

Cardstock - color or fun prints

Fun stickers

Ms. Pellicano's Wish List ☺

Little Bits – electronic building blocks
